

# Anti-Theft Security Tape

This product was designed to take the place of traditional box tape in order to protect the contents of boxes from being stolen. It is a clear tape with special printing and 58 KHz Acousto-Magnetic (AM) or 8.2 MHz Radio-Frequency (RF) circuits applied under the printed area. Therefore, it will trigger the alarms of TYCO/Sensormatic or Checkpoint security tag detection systems. This special tape is supplied in roll format, and is die-cut with fixed gaps.

**Repeat Size - 200 mm long (narrow edge leading) and 50 mm wide**

**Material – Clear, Tear Resistant**

**Adhesive – Permanent, High Tack**

**Colors – Red & White**

**Core Size – 76 mm**
