

Mini-Stylus™

The Mini-Stylus Tag is a shorter version of the popular “Pencil” tags. A wound ferrite coil powers the Mini-Stylus, and it can also be ordered in frequencies that operate with 58 KHz Acousto-Magnetic (AM) or 8.2 MHz Radio-Frequency (RF) EAS systems. This tag can be removed from merchandise with any magnetic detacher.

- **Size - 1.6 inches (42 mm) long, 0.5 inch (19 mm) wide**
