

What does this mean for retail loss prevention professionals, as well as retail product manufacturers and packagers?

- It means immediate order shipping from our U.S. factory in Boca Raton Florida, Stockport U.K., or Hong Kong.**
- It means not having to take the risks associated with ordering RF Labels from inexperienced and unaccountable sources outside of the U.S.**
- It means always receiving authentic, high quality ALL-TAG brand RF Labels from the second largest RF Label manufacturer in the world with 24 years of experience.**
- It means knowing that ALL-TAG's U.S. top management is overseeing the production and shipping of their orders.**
- It means a hard working American production team is building your RF Labels.**
