ALL-TAG®
Tamper Proof ID Label for ORC

ALL-TAG® has designed a completely tamper-proof label that will effectively deter Organized Retail Crime (ORC) attempts and allows for the recovery of stolen merchandise.

The label cannot be torn off the product packaging, and the message printed on the label makes it very clear what store the item was stolen from.

Product Specifications

SuperLabel Features

- Effective low-cost deterrent against Organized Retail Crime (ORC).
- Ultra-thin yet extremely durable material is virtually impossible to peel up, cut through or remove with a heat gun.
- The aggressive adhesive bonds the ID Label to product packaging.
- Clear material allows important product information to remain visible
- Custom printing with store name, store number, division number, and phone number.
- Standard size 1 x 1 inch – Custom sizes available.
